Benefits of Summer Camps...

•Try something new before Fall classes start. Get ahead during the Summer. This makes it easier for Mrs. Newton to place dancers for the Fall! Session.

•Dance Camps are specially designed for Summer, with minimal commitment, and maximum dance training in a small window of time!

•Solo Camps are also available for the Summer. You can get that one on one training with Alli.

•All NDCX dancers are highly encouraged to take at least 1 dance camp to continue their technique training over the Summer.
